Teacher Grant Application

EERC offers teachers from Romania who are EERC supporters grants that can be used for school and community projects as well as for professional development. The grant applications are reviewed quarterly if requesting funds up to \$500. If requested grant is greater than \$500 the application deadlines are November 15th and March 15th.

When you submit an application the school director must sign off on proposals in order to be reviewed by the EERC Granting Committee. EERC Grant Committee will email the applicant if clarifications are needed. Special consideration will be given to grant applications which reflect collaboration with EERC alumni or other EERC members.

Application can be sent via email at eerc@eercboston.org
